...

See you soon,
Cazaudehore Family

Cazaudehore La Forestière seems to be a rare place at the doors of Paris, granted with a luxurious and quiet environment, in the heart of a region with a strong artistic and cultural heritage. **It is the perfect site to celebrate small and major occasions of life:** weddings, birthdays, family reunions or religious festivities.

In all seasons, the harmony remains.

Abandon to the summer days the warmth of the rooms, fireplaces and indoor dining rooms for lunch and dinner, or simply organize a break, in the shade of acacia trees, bathed in odors and lulled by the sounds of nature, is a pleasure that we cannot get tired of.

Tradition & innovation tantalize your tastebuds

Since 1928, the Cazaudehore family has passed on from father to son the secret of turning a simple “refreshments bar” into an eminent address in the west of Paris.

Our **Executive Chef Grégory Balland** is devoting his full attention to a creative and light cuisine, but never forget the region from which the family is from: the south west of France. All this has made the reputation of this long-time favourite household.

Our reception rooms offer a **cosy and friendly atmosphere**, where even in winter the surrounding nature can express its presence. In summer days, they open onto a terrace surrounded by the forest, its smells, noises and mysteries.
