Relaxing, refreshing and sculpting deep body massage.
With organic essential oils.

Treatments are provided by Claire Bernard.
Fascinated by Eastern philosophies, she discovered her gifts as a masseuse during a training of Tibetan yoga over 20 years ago. She has since become a very popular massage therapist for her mix of high technical nature and specific attentions to each of those who rely on her expert hands.

Untying the rebels' tensions, pacifying the body and relaxing the mind, she cultivates peace and serenity and passes it through her massages, genuine combination of three different techniques: Asian, Ayurveda and Biodynamic.
